A. PURPOSE

This Plan of Cooperation is entered into between the Maryland State Department of Education, Division of Rehabilitation Services (herein referred to as DORS) and **ALLOVER HEALTHCARE GROUP**, which is BHA licensed for Supported Employment and CARF accredited, for the purpose of establishing practical and effective working relationships between the two agencies in coordinating and providing effective service to individuals with disabilities. Both agencies affirm that no person will be discriminated against, excluded from participation in or be denied the benefits of any of the services enumerated hereafter because of race, color, gender, creed, physical or mental disability, age, political affiliation, or national origin. Each agency further affirms that no otherwise qualified individuals with a disability shall, solely because of disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity. (Appendix I, Statement of Assurance of Compliance with Civil Rights Laws).

This cooperative agreement is designed to:

- Define and promote the relationship of both agencies.
- Establish principles for the development of working relationships between the two agencies.
- Define the role, function, and responsibilities of each agency.
- Establish criteria by which the cooperative operations may be reviewed and evaluated in order to determine their effectiveness.
- Define areas of cooperation, including procedures related to referrals, service provision, reporting, communication, billing, and other program areas.

ALLOVER HEALTHCARE GROUP has a Supported Employment Program which has been approved by the Maryland Department of Health, Behavioral Health Administration (BHA); operates in accordance with joint DORS/BHA Supported Employment standards; and is subject to monitoring and program evaluation by DORS and BHA.

Provider Preference for Set-Aside Contracts. A condition of a Community Rehabilitation Program's approval is to provide approved services to DORS consumers. An approved DORS Community Rehabilitation Program provider is eligible for a preference for set-aside contracts through Maryland Works. DORS does not enter into cooperative agreements with Community Rehabilitation Programs for the sole purpose of enabling their eligibility for such set-aside contracts. ***DORS enters into agreements with Community Rehabilitation Programs interested in providing certain approved services to DORS consumers. DORS will monitor ALLOVER HEALTHCARE GROUP provision of services to DORS consumers and may withdraw approval of ALLOVER HEALTHCARE GROUP providing few if any employment services to DORS consumers.***

B. LEGAL BASIS

The coordination of programs serving individuals with disabilities and the development of cooperative agreements between these programs has the following basis in Federal and State law:

- The Rehabilitation Act of 1973, as amended by the Workforce Innovation Opportunity Act, 29 U.S.C. 701 et. seq.
- 34 Code of Federal Regulations §§ 361, 363, 397
- The Americans with Disabilities Act, as amended
- Maryland Education Article, §§ 21-301 – 21-304, Annotated Code of Maryland
- Code of Maryland Regulations, 13A, Subtitle 11.

C. THE ROLE AND FUNCTION OF EACH AGENCY

1. Division of Rehabilitation Services (DORS)

DORS is the official State agency responsible for administering the Public Rehabilitation Program in Maryland. As such, DORS is responsible for providing to individuals with disabilities determined to be eligible and to meet Order of Selection criteria, vocational rehabilitation services and employment opportunities consistent with their assessed needs, capabilities, priorities, abilities, and informed choice as well as Pre-Employment Transition Services for both eligible, and potentially eligible, Students with Disabilities.

The Division is responsible for assessing the vocational potential of Maryland citizens with disabilities and providing services to assist eligible individuals in entering or re-entering employment thereby improving their ability to function independently in the community. In responding to the vocational needs of eligible individuals with disabilities, DORS will provide and/or coordinate services including but not limited to:

- Pre-Employment Transition Services
- Assessment for determining eligibility and priority for services for vocational rehabilitation based on the following federal criteria: The individual (1) has a physical or mental impairment which for the individual constitutes or results in a substantial impediment to employment; and (2) requires vocational rehabilitation services to prepare for, enter, engage in, or retain gainful employment. Individuals eligible for Supplemental Security Income or Social Security Disability Insurance and those eligible for supported employment through of the Developmental Disabilities Administration and the Mental Hygiene Administration are presumed eligible for DORS services.
- Career assessment services
- Information and referral services
- Assistive technology services
- Vocational counseling and guidance
- Diagnosis and treatment of physical and mental impairments
- Vocational and other training services
- Supported employment services
- Self-employment services
- Placement and follow-up

DORS is required by federal law to establish an “**order of selection**” for services when the agency has insufficient funding to serve all eligible individuals. The order of selection stipulates that individuals with the most significant disabilities shall be served on a priority

basis. Individuals may be placed on a waiting list for services. DORS will advise **ALLOVER HEALTHCARE GROUP** of the status of the order of selection periodically, including anticipated impact on referral of DORS consumers to **ALLOVER HEALTHCARE GROUP** for services.

The **financial need** of the individual with a disability is considered in determining if the individual would be required to contribute to the cost of certain rehabilitation services. In such instances, the income of the individual/family and size of the family are taken into account.

DORS supports only **competitive integrated employment**. To satisfy the definition of “competitive integrated employment” in section 7(5) of the Rehabilitation Act and 34CFR §361.5(c)(9) of the implementing regulations, the employment outcome must satisfy the criteria of three major components of the definition, including competitive earnings, integrated location, and opportunities for advancement.

Competitive Earnings

- Wages comparable to the customary wages paid by the employer to employees without disabilities in similar position.
- Benefits provided by the employer to the individual are comparable to the benefits received by an employee without disabilities in the same or similar position.

Integrated Setting

- Employment typically found in the community
- Employment in which the employee with a disability interacts for the purpose of performing the duties of the position with other employees with the particular work unit and the entire work site, and as appropriate to the work performed, other persons (e.g. customers and vendors), who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that employees who are not individuals with disabilities and who are in comparable positions interact with these persons.

Opportunities for Advancement

- The employment setting provides the individual with opportunities for advancement comparable with those available to employees without disabilities in similar position.

The DORS counselor will develop with the person served an appropriate Individualized Plan for Employment (IPE).

G. ALLOVER HEALTHCARE GROUP SERVICE PROVISION and Reporting Requirements

ALLOVER HEALTHCARE GROUP is approved by DORS to provide the following services. **ALLOVER HEALTHCARE GROUP** is responsible for the monthly reporting of progress and, when appropriate, submitting recommendations on persons referred by DORS according to the standards and format indicated in this section. Intensive Supported Employment Job Coaching Hours

If Allover Healthcare Group requests additional hours after the initial number indicated by the fading schedule have been used, the provider must provide written justification and the approval of the DORS regional director is required, with a staffing scheduled as determined by the DORS regional director.

Service Intensity/Job Stabilization

"Job Stabilization" is the point at which DORS funding for intensive job coaching has ceased. The decision regarding when the individual's employment is stable shall be a mutual determination agreed upon by the counselor, consumer, and ALLOVER HEALTHCARE GROUP.

Supported employment job coaching may be provided at the job site or off-site if requested by the individual. It is designed as an intensive service. Over time, it is anticipated that the consumer will need fewer hours of support, as reflected in the [Job Coaching Fading Schedule \(Attachment 800-3\)](#), until he/she has reached job stabilization.

- * For individuals who have BHA funding for supported employment, job stabilization occurs on or about the 45th day of employment and the individual transitions to extended services funded by BHA.

Confirmation of extended supports:

- **BHA:** For individuals funded for BHA supported employment, confirmation occurs through documentation available to DORS counselors through the Optum Health Options system, the case management system of the Maryland public mental health system. No additional documentation is required.

Supported Employment Reporting. After the person served has completed the first month of SEP job development and/or coaching and monthly thereafter, ALLOVER HEALTHCARE GROUP shall complete the ***Employment Services Progress Report*** (attached). The Report is required each month whether ALLOVER HEALTHCARE GROUP is sending an invoice to DORS or not. For job development services, ALLOVER HEALTHCARE GROUP must include written justification on the Job Coaching Progress Report for providing fewer than 6 hours of service in a month.

Authorizations for Job Development/Job Coaching. DORS only pays for job development/job coaching services which have been previously authorized by a DORS official in writing.

2. Short-term Job Coaching N/A

This service is for individuals not funded for long-term supports who require intensive, time-limited services to maximize likelihood of obtaining and maintaining competitive integrated employment. Such job-coaching may be provided at the job site or off-site

Job Coaching Hours. Once competitive integrated employment is obtained, job coaching hours are authorized by DORS based on the Short-term Job Coaching Fading Schedule. Additional hours beyond what has been originally authorized may be authorized based on a collaborative discussion between Allover Healthcare Group and DORS and may require written justification and approval of the DORS regional director.

Short-Term Job Coaching Plan. The person's Short-Term Job Coaching Employment Program Plan shall be developed consistent with the consumer's IPE in terms of the employment goal, work hours per week and other relevant factors. It must contain the description of the job development (if applicable) and integrated work setting services to be provided and the provision for periodic monitoring to ensure progress towards meeting the goal.

Short-Term Job Coaching Reporting. After the DORS consumer has completed the first month of Supported Employment job coaching and monthly thereafter, **ALLOVER HEALTHCARE GROUP** shall complete the *Employment Service Progress Form* (Attachment D). The Form is required each month whether **ALLOVER HEALTHCARE GROUP** is sending an invoice to DORS or not.

Authorizations for Job Development/Job Coaching. DORS only pays for job coaching services which have been previously authorized by a DORS official.

This service is for individuals with most significant disabilities funded, or anticipated to be funded, for long term supports who require intensive services to maximize likelihood of maintaining employment and who require intensive services to maintain employment and whose long-term supports will be provided by BHA. The Milestone Payment system applies

to psychiatric rehabilitation programs that maintain fidelity to the Evidence Based Practice in Supported Employment model.

4. Employee Development Services (EDS): N/A

EDS services are designed to address specific behaviors and attitudes which are anticipated to impede successful employment, based on referral information from DORS. ALLOVER HEALTHCARE GROUP shall develop with the individual a plan for EDS services which describes in writing the behaviors which prohibit the individual from achieving his/her job goal, as well as the plan of action to be taken. As a result of discussing the individual's plan for EDS services, all of the participants in the process should know specifically which behaviors or problems are being addressed, the objectives or goals which are to be accomplished and the techniques, methods, and procedures which are to be used in accomplishing the necessary changes.

EDS Reporting. After the person's first month in an EDS/WAT Program, as well as for the duration of the person's training period, ALLOVER HEALTHCARE GROUP shall complete and submit the ***DORS Training Progress Report*** (Attachment B) or ALLOVER HEALTHCARE GROUP training progress report.

5. Career Assessment Services N/A

Career assessment services (CAS) shall be provided in accordance with the CAS Checklist (Attachment I) and shall include the following elements, regardless of which assessment option is chosen:

- Participation and input of the consumer throughout the process, particularly during each of the following activities – determining the purpose of the assessment, conducting an initial interview, developing the individual assessment plan, reviewing, and discussing results and making recommendations;
- Sensitivity to cultural, linguistic, ethnic, and other environmental considerations;
- Vocationally relevant behavioral observations and temperament factors;
- Consideration of assistive technology needs.

CAS Reporting. The CAS professional shall share results with the consumer at the conclusion of the service, and shall summarize, synthesize, and interpret results in written form understandable to the DORS consumer. A written report of the findings shall be forwarded to the DORS counselor within 14 working days of completion of the evaluation, along with the invoice requesting payment as described in the **Fees, Billing and Financial Procedures** section of this Agreement.

6. Pre-Employment Transition Services (Pre-ETS): N/A

In July 2014, the Workforce Innovation and Opportunity Act (WIOA) was signed into law. WIOA replaces the Workforce Investment Act of 1998 (WIA) and amends the Rehabilitation Act of 1973. WIOA requires vocational rehabilitation (VR) agencies to set aside at least 15% of their federal funds to provide “pre-employment transition services” (Pre-ETS) specifically to “Students with Disabilities.”

A “Student with a Disability” is defined as an individual who:

- is still enrolled in secondary school and has not exited, graduated, or withdrawn;
- is at least 14 years old but less than 22;
- and has a disability (i.e., receives services under an IEP or 504 plan, or has a disability for purposes of section 504).

The limited Pre-ETS that may be provided, based on identified need and the availability of services, include:

- Job exploration counseling
- Work-based learning experiences, which may include in-school or after school opportunities, experiences outside of the traditional school setting, and/or internships
- Counseling on opportunities for enrollment in comprehensive transition or post-secondary educational programs
- Workplace readiness training to develop social skills and independent living
- Instruction in self-advocacy

Authorizations for Pre-ETS. DORS only pays for Pre-ETS services that have been previously authorized by a DORS official in writing.

Pre-ETS Reporting : Completion of the Pre-Employment Transition Services Progress Report (Rs10f), Work Based Learning Experience Agreement (Rs10g), Work Based Learning Experience on site workplace readiness Training Report (Rs10e), or approved alternative form is required at the conclusion of the training or at agreed upon intervals.

7. **Extended Services For Youth with Most Significant Disabilities N/A**

Extended services funded by DORS will last no longer than 4 years or until the individual turns age 25, or until alternate sources of extended support funding, or natural supports, are available, whichever comes first. DORS-funded ongoing support services during the extended phase shall include:

- Sufficient monitoring at a minimum, four times a month at the work site of the individual to assess and verify continued employment stability,
- Coordination or provision of specific services at or away from the work site that are needed to maintain employment stability.
- **ALLOVER HEALTHCARE GROUP** shall complete the *Employment Service Progress Form* (Attachment A). The Form is required each month whether **ALLOVER HEALTHCARE GROUP** is sending an invoice to DORS or not to the DORS counselor on services provided and on efforts to identify a source for long-term funding or natural supports for the consumer to access with the goal for the consumer to be able to continue receiving required ongoing supports after age 25.

8. **Supported Employment – Natural Supports N/A**

This service is for individuals with most significant disabilities that meet the requirements for supported employment services and does not have an immediate guarantee of extended services funding availability, but there is a reasonable expectation that natural supports or other alternate sources will be available upon job stabilization.

Job Coaching Hours. Once competitive integrated employment is obtained, job coaching hours are authorized by DORS based on the Intensive Job Coaching Fading Scale Before Transition to Natural Supports. Additional hours beyond what has been originally authorized may be authorized based on a collaborative discussion between Allover Healthcare Group and DORS and may require written justification and approval of the DORS regional director.

Service Intensity. Supported employment job coaching may be provided at the job site if requested by the individual. It is designed as an intensive service. Over time, it is anticipated that the consumer will need fewer hours of support, as reflected in the Fading Schedule with Intensive Monitoring, until he/she has reached job stabilization, i.e., the individual is performing satisfactorily all job duties and is reasonably expected to continue that level of performance. The transition to extended services will begin after all supported employment services are complete.

SEP Plan. The person's **ALLOVER HEALTHCARE GROUP** Supported Employment Program (SEP) plan shall be developed consistent with the consumer's IPE in terms of the employment goal, work hours per week and other relevant factors. It must contain the description of the job development (if applicable), natural supports available, and integrated work setting services to be provided; provision for periodic monitoring to ensure progress towards meeting the goal and a description of the extended services.

Confirmation of extended supports: The *Employment Service Progress Form* must document the development and confirmation of natural supports as extended services.

Supported Employment Reporting. After the DORS consumer has completed the first month of Supported Employment job coaching and monthly thereafter, **ALLOVER HEALTHCARE GROUP** shall complete the *Employment Service Progress Form* (Attachment D). The Form is required each month whether **ALLOVER HEALTHCARE GROUP** is sending an invoice to DORS or not.

Authorizations for Job Coaching. DORS only pays for job coaching services which have been previously authorized by a DORS official.

Job Coaching for Volunteer Work. DORS approves job coaching services for individuals in paid employment. In exceptional and justifiable circumstances and with the approval of the DORS supervisor, job coaching may be provided for a limited amount of time for a volunteer position.

9. Employment Verification and Reports

When the DORS consumer has been placed in competitive integrated employment by **ALLOVER HEALTHCARE GROUP** the report shall contain the following information to DORS:

- Job Title
- Employer name, address, and phone number
- Address of actual worksite if different from employer address
- Integration of worksite
- Start date of employment
- Work hours per week
- Rate of pay
- Benefits received or available through employer.

When no placement incentives apply, authorization may be requested to verify employment stability at 90 days through use of Allover Healthcare Group *Employment Verification & Placement Incentive Request*.

H. COMMUNICATION REGARDING PERSONS SERVED

In order to facilitate a successful outcome for the consumer, it is critical that the DORS counselor and ALLOVER HEALTHCARE GROUP staff communicate frequently. While written reports are an important, formal means to communicate progress, additional communication

should occur on an as-needed basis to supplement formal reporting. Staff of ALLOVER HEALTHCARE GROUP and DORS are encouraged to communicate often by phone, teleconference, email or informally in person; such communication should be documented in the record. At times a more formal meeting, or “staffing” may be required, as follows:

For purposes of this agreement, a **staffing** is defined as a meeting initiated by DORS, ALLOVER HEALTHCARE GROUP, or the client. A staffing will include the client, the individual requesting the meeting, family, or other advocates as appropriate, the DORS counselor, an ALLOVER HEALTHCARE GROUP representative, and/or other supervisory staff. Staffings will be convened at critical times within the provision of services for the following purposes:

- Upon the request of the person served or, as appropriate, the person’s parent, family member, guardian, advocate, or authorized representative;
- When progress toward goals and objectives identified in the person’s Individualized Plan for Employment is not being achieved in a timely, productive, and cost-effective manner as reflected in reports of ALLOVER HEALTHCARE GROUP services;
- At other times to address specific issues as requested by DORS or ALLOVER HEALTHCARE GROUP.

I. FEES, BILLING AND FINANCIAL PROCEDURES

- 1. Establishment & application of fees.** Fees are established for accredited services at rates negotiated by DORS and **ALLOVER HEALTHCARE GROUP** (see Appendix 2 – Program Services and Fee Schedule).
 - a. New/revised fees may be applied to persons served already enrolled in the program effective on the official date of the increase.
 - b. New/revised fees may not be applied retroactively.
- 2. Responsibility for payment.** DORS will not be responsible for the payment of any fees charged by **ALLOVER HEALTHCARE GROUP** for services provided prior to the time authorized by DORS staff.
- 3. Failure of consumer to keep initial appointment at ALLOVER HEALTHCARE GROUP.** If a DORS consumer fails to attend on the starting date, **ALLOVER HEALTHCARE GROUP** Director or designee will inform the DORS counselor immediately. The Director or designee shall also contact the DORS consumer to schedule a new appointment with **ALLOVER HEALTHCARE GROUP** at no cost to DORS.
- 4. Missed appointment or no show/withdrawal after the 1st week.** After the first week, adjustments in the weekly fee shall be made should a DORS consumer be absent for more than three consecutive days. **ALLOVER HEALTHCARE GROUP** shall report absences early and all dates of absence must be reported on the monthly progress reports to the DORS counselor.

5. **Term of enrollment and continuation of billing.** A DORS consumer is considered to be enrolled until completion of the prescribed program as stipulated by the authorization or until the DORS counselor notifies **ALLOVER HEALTHCARE GROUP**, through the Director, that the DORS consumer is to be suspended or terminated from the program. Billing will continue until such notification is made except that five consecutive days of absence will constitute an automatic suspension by **ALLOVER HEALTHCARE GROUP** and billing will then cease unless the DORS consumer is reinstated. Reinstatement requires advance notification to **ALLOVER HEALTHCARE GROUP** Director by the person's DORS Counselor.
6. **Compliance with laws prohibiting discrimination.** DORS will purchase services for persons served only from community programs which comply with federal and state laws prohibiting discrimination in employment or in the provision of public services, including Title VII of the Civil Rights act of 1964; Title V of the Rehabilitation Act of 1973, as amended; and Titles I, II and III of the Americans with Disabilities Act. (See Appendix 1.)
7. **Financial participation of persons served. ALLOVER HEALTHCARE GROUP** may not require or accept any payment from the DORS consumer or the person's family, or a third party for those services unless, prior to providing the services, the amount of the person's responsibility has been:
 - a. Preauthorized by DORS; and
 - b. Agreed to by the DORS consumer in writing; and
 - c. Approved by the DORS counselor in keeping with the Division's financial need policy.

When the DORS consumer participates in the cost, the amount shall be indicated on the DORS authorization and charged by ALLOVER HEALTHCARE GROUP directly to the DORS consumer. The total amount, including that charged to the person and the Division, cannot exceed the cost of the service as indicated in the DORS Fee Schedule.

8. **Psychological evaluation required for ALLOVER HEALTHCARE GROUP admission.** If a psychological evaluation is required for admission to ALLOVER HEALTHCARE GROUP, ALLOVER HEALTHCARE GROUP shall not require DORS to purchase a psychological evaluation if the counselor has available existing documentation of the individual's disability.
9. **Payment for services not approved or accredited by DORS.** DORS shall not pay for any program services (e.g., vocational services) which have not been approved or accredited by DORS or a DORS-approved national accrediting organization, and for which a DORS fee has not been established under this Cooperative Agreement.

10. **Amount of invoice for services.** ALLOVER HEALTHCARE GROUP shall not bill DORS for an amount in excess of the fees indicated in the current Cooperative Agreement. ALLOVER HEALTHCARE GROUP shall charge DORS a fee no greater than the fee charged other purchasers of their services and may bill for services only for the authorized time period.
11. **Number of referrals from DORS.** This agreement does not obligate DORS to refer any specific number of individuals to ALLOVER HEALTHCARE GROUP. Payments to ALLOVER HEALTHCARE GROUP will be based on bona fide actions only.
12. **Provision of Services to DORS consumers.** DORS shall at least annually determine if ALLOVER HEALTHCARE GROUP has provided the approved services to DORS consumers in assessing whether ALLOVER HEALTHCARE GROUP continues to be in an active status.
13. **Contents of Invoices.** All invoices must be made out to the Division of Rehabilitation Services and include the vendor's name, remittance address, federal taxpayer identification number (if the vendor does not have a federal identification number, include the vendor's Social Security Number), the participant's name, a description of the details of the goods and/or services provided, the date that the goods and/or services were rendered, the date of the invoice, the authorization number, and an invoice number. Invoices are to be faxed to the DORS office which originated the Authorization/Purchase Order, and reference only one (1) Consumer per invoice.
14. **Report submitted with invoice.** ALLOVER HEALTHCARE GROUP invoices requesting payment for services must be submitted simultaneously with a report as described in the Reports section of this Agreement. Invoices **must** be faxed to the DORS office which originated the Authorization/Purchase Order and reference only one (1) Consumer per invoice.
