A. PURPOSE

This Plan of Cooperation is entered into between the Maryland State Department of Education, Division of Rehabilitation Services (herein referred to as DORS) and RISE SERVICES, LLC, Which is CARF Accredited, for the purpose of establishing practical and effective working relationships between the two agencies in coordinating and providing effective service to individuals with disabilities. Both agencies affirm that no person will be discriminated against, excluded from participation in or be denied the benefits of any of the services enumerated hereafter because of race, color, sex, gender, creed, physical or mental disability, age, political affiliation, or national origin. Each agency further affirms that no otherwise qualified individuals with a disability shall, solely by reason of disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity. (Appendix I, Statement of Assurance of Compliance with Civil Rights Laws).

This cooperative agreement is designed to:

- Define and promote the relationship of both agencies.
- Establish principles for the development of working relationships between the two agencies.
- Define the role, function, and responsibilities of each agency.
- Establish criteria by which the cooperative operations may be reviewed and evaluated in order to determine their effectiveness.
- Define areas of cooperation, including procedures related to referrals, service provision, reporting, communication, billing, and other program areas.

Provider Preference for Set-Aside Contracts. A condition of a Community Rehabilitation Program's approval is to provide approved services to DORS consumers. An approved DORS Community Rehabilitation Program provider is eligible for a preference for set-aside contracts through Maryland Works. DORS does not enter into cooperative agreements with Community Rehabilitation Programs for the sole purpose of enabling their eligibility for such set-aside contracts. ***DORS enters into agreements with Community Rehabilitation Programs interested in providing certain approved services to DORS consumers. DORS will monitor Rise Services, LLC's provision of services to DORS consumers and may withdraw approval of a RISE SERVICES, LLC providing few if any employment services to DORS consumers.***

B. LEGAL BASIS

The coordination of programs serving individuals with disabilities and the development of cooperative agreements between these programs has the following basis in Federal and State law:

- The Rehabilitation Act of 1973, as amended by the Workforce Innovation Opportunity Act, 29 U.S.C. 701 et. seq.
- 34 Code of Federal Regulations §§ 361, 363, 397
- The Americans with Disabilities Act, as amended
- Maryland Education Article, §§ 21-301 – 21-304, Annotated Code of Maryland
- Code of Maryland Regulations, 13A, Subtitle 11.

C. THE ROLE AND FUNCTION OF EACH AGENCY

- **Division of Rehabilitation Services (DORS)**

DORS is the official State agency responsible for administering the Public Rehabilitation Program in Maryland. As such, DORS is responsible for providing to individuals with disabilities determined to be eligible and to meet Order of Selection criteria, vocational rehabilitation services and employment opportunities consistent with their assessed needs, capabilities, priorities, abilities, and informed choice as well as Pre-Employment Transition Services for both eligible, and potentially eligible, Students with Disabilities.

The Division is responsible for assessing the vocational potential of Maryland citizens with disabilities and providing services to assist eligible individuals in entering or re-entering employment thereby improving their ability to function independently in the community. In responding to the vocational needs of eligible individuals with disabilities, DORS will provide and/or coordinate services including but not limited to:

- Pre-Employment Transition Services
- Assessment for determining eligibility and priority for services for vocational rehabilitation based on the following federal criteria: The individual (1) has a physical or mental impairment which for the individual constitutes or results in a substantial impediment to employment; and (2) requires vocational rehabilitation services to prepare for, enter, engage in, or retain gainful employment. Individuals eligible for Supplemental Security Income or Social Security Disability Insurance and those eligible for supported employment through of the Developmental Disabilities Administration and the Mental Hygiene Administration are presumed eligible for DORS services.
- Career assessment services
- Information and referral services
- Assistive technology services
- Vocational counseling and guidance
- Diagnosis and treatment of physical and mental impairments
- Vocational and other training services
- Supported employment services
- Self-employment services
- Placement and follow-up

DORS is required by federal law to establish an “**order of selection**” for services when the agency has insufficient funding to serve all eligible individuals. The order of selection stipulates that individuals with the most significant disabilities shall be served on a priority basis. Individuals may be placed on a waiting list for services. DORS will advise **RISE SERVICES, LLC** of the status of the order of selection periodically, including anticipated impact on referral of DORS consumers to **RISE SERVICES, LLC** for services.

The **financial need** of the individual with a disability is considered in determining if the individual would be required to contribute to the cost of certain rehabilitation services. In such instances, the income of the individual/family and size of the family are taken into account.

a. DORS supports only **competitive integrated employment**. To satisfy the definition of “competitive integrated employment” in section 7(5) of the Rehabilitation Act and 34CFR §361.5(c)(9) of the implementing regulations, the employment outcome must satisfy the criteria of three major components of the definition, including competitive earnings, integrated location, and opportunities for advancement.

- **Competitive Earnings**

- i. Wages comparable to the customary wages paid by the employer to employees without disabilities in similar position.
- ii. Benefits provided by the employer to the individual are comparable to the benefits received by an employee without disabilities in the same or similar position.

- **Integrated Setting**

- i. Employment typically found in the community
- ii. Employment in which the employee with a disability interacts for the purpose of performing the duties of the position with other employees with the particular work unit and the entire work site, and as appropriate to the work performed, other persons (e.g. customers and vendors), who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that employees who are not individuals with disabilities and who are in comparable positions interact with these persons.

- **Opportunities for Advancement** – The employment setting provides the individual with opportunities for advancement comparable with those available to employees without disabilities in similar position.

6. Pre-Employment Transition Services (Pre-ETS) N/A

In July 2014, the Workforce Innovation and Opportunity Act (WIOA) was signed into law. WIOA replaces the Workforce Investment Act of 1998 (WIA) and amends the Rehabilitation Act of 1973. WIOA requires vocational rehabilitation (VR) agencies to set aside at least 15% of their federal funds to provide "pre-employment transition services" (Pre-ETS) specifically to "Students with Disabilities."

A "Student with a Disability" is defined as an individual who:

- is still enrolled in secondary school and has not exited, graduated, or withdrawn;
- is at least 14 years old but less than 22;
- and has a disability (i.e., receives services under an IEP or 504 plan, or has a disability for purposes of section 504).

The limited Pre-ETS that may be provided, based on identified need and the availability of services, include:

- Job exploration counseling
- Work-based learning experiences, which may include in-school or after school opportunities, experiences outside of the traditional school setting, and/or internships
- Counseling on opportunities for enrollment in comprehensive transition or post-secondary educational programs

The Form is required each month whether **RISE SERVICES, LLC** is sending an invoice to DORS or not to the DORS counselor on services provided and on efforts to identify a source for long-term funding or natural supports for the consumer to access with the goal for the consumer to be able to continue receiving required ongoing supports after age 25.

8. Supported Employment – Natural Supports

This service is for individuals with most significant disabilities that meet the requirements

for supported employment services and does not have an immediate guarantee of extended services funding availability, but there is a reasonable expectation that natural supports or other alternate sources will be available upon job stabilization.

Job Coaching Hours. Once competitive integrated employment is obtained, job coaching hours are authorized by DORS based on the Intensive Job Coaching Fading Scale Before Transition to Natural Supports. Additional hours beyond what has been originally authorized may be authorized based on a collaborative discussion between Rise Services, LLC and DORS and may require written justification and approval of the DORS regional director.

Service Intensity. Supported employment job coaching may be provided at the job site if requested by the individual. It is designed as an intensive service. Over time, it is anticipated that the consumer will need fewer hours of support, as reflected in the Fading Schedule with Intensive Monitoring, until he/she has reached job stabilization, i.e., the individual is performing satisfactorily all job duties and is reasonably expected to continue that level of performance. The transition to extended services will begin after all supported employment services are complete.

SEP Plan. The person's **RISE SERVICES, LLC** Supported Employment Program (SEP) plan shall be developed consistent with the consumer's IPE in terms of the employment goal, work hours per week and other relevant factors. It must contain the description of the job development (if applicable), natural supports available, and integrated work setting services to be provided; provision for periodic monitoring to ensure progress towards meeting the goal and a description of the extended services.

Confirmation of extended supports: The *Employment Service Progress Form* must document the development and confirmation of natural supports as extended services.

Supported Employment Reporting. After the DORS consumer has completed the first month of Supported Employment job coaching and monthly thereafter, **RISE SERVICES, LLC** shall complete the *Employment Service Progress Form* (Attachment D). The Form is required each month whether **RISE SERVICES, LLC** is sending an invoice to DORS or not.

When no placement incentives apply, authorization may be requested to verify employment stability at 90 days through use of Rise Services, LLC *Employment Verification & Placement Incentive Request*.

H. COMMUNICATION REGARDING PERSONS SERVED

In order to facilitate a successful outcome for the consumer, it is critical that the DORS counselor and RISE SERVICES, LLC staff communicate frequently. While written reports are an important, formal means to communicate progress, additional communication should occur on an as-needed basis to supplement formal reporting. Staff of Rise Services, LLC and DORS are encouraged to communicate often by phone, teleconference, email or informally in person; such communication should be documented in the record. At times a more formal meeting, or “staffing” may be required, as follows:

For purposes of this agreement, a **staffing** is defined as a meeting initiated by DORS, Rise Services, LLC, or the client. A staffing will include the client, the individual requesting the meeting, family, or other advocates as appropriate, the DORS counselor, a RISE SERVICES, LLC representative, and/or other supervisory staff. Staffings will be convened at critical times within the provision of services for the following purposes:

- Upon the request of the person served or, as appropriate, the person’s parent, family member, guardian, advocate, or authorized representative;
- When progress toward goals and objectives identified in the person’s Individualized Plan for Employment is not being achieved in a timely, productive, and cost-effective manner as reflected in reports of RISE SERVICES, LLC services;
- At other times to address specific issues as requested by DORS or Rise Services, LLC.

I. FEES, BILLING AND FINANCIAL PROCEDURES

1. Establishment & application of fees. Fees are established for accredited services at rates negotiated by DORS and Rise Services, LLC (see Appendix 2 – Program Services and Fee Schedule).

- New/revised fees may be applied to persons served already enrolled in the program effective on the official date of the increase.
- New/revised fees may not be applied retroactively.

2. **Responsibility for payment.** DORS will not be responsible for the payment of any fees charged by Rise Services, LLC for services provided prior to the time authorized by DORS staff.
3. **Failure of consumer to keep initial appointment at RISE SERVICES, LLC.** If a person served fails to attend on the starting date, Rise Services, LLC Director, or designee will inform the DORS counselor immediately. The Director or designee shall also contact the person served to schedule a new appointment with Rise Services, LLC at no cost to DORS.
4. **Missed appointment or no show/withdrawal within the 1st week.** DORS shall pay a “missed appointment” fee to Rise Services, LLC should a person served withdraw from any service before the end of the first week.
5. **Missed appointment or no show/withdrawal after the 1st week.** After the first week, adjustments in the weekly fee shall be made should a person served be absent for more than three consecutive days. Rise Services, LLC shall report absences early and all dates of absence must be reported on the monthly progress reports to the DORS counselor.
